Foreword

Dear Colleagues,

It gives me immense pleasure in presenting before you the first edition of Institute Telephone Directory. Looking at the growing need of communication at the Institute, our telephone exchange has been upgraded and augmented with 1223 lines.

The Directory has been compiled carefully from the best available source of information and is believed to be accurate on the date of publication. However, contents being dynamic in nature are subject to change due to entry and exit of Institute staff and faculties etc. The names of users listed in the directory are primarily in department & alphabetical order and do not reflect their seniority. We extend special thanks to IT Programmer Shri Arpit Bajpai and technical staff of the IT Department- Shri Pradeep Banerjee, Shri Sumit Kumar Pathak, Shri Jay Singh and Shri Ahmed Ashraf Khan for their efforts to bring out the directory in the present form.

Hope this edition of the directory will facilitate smooth communication within and beyond our institute. We welcome suggestions from our esteemed users for further improvement in our communication services.
