3rd ANNUAL REPORT 2020-21

**ALL INDIA INSTITUTE OF MEDICAL SCIENCES,
RAEBARELI, UTTAR PRADESH**

Dalmau Road, Munshiganj, Raebareli, U.P. India - 229405

Edited jointly by the Committee:

Dr. Rajat Subhra Das, Additional Prof., Department of Anatomy
Dr. Tarun Prakash Maheshwari, Associate Prof., Department of Anatomy
Dr. Gaurav Kumar Upadhyaya, Associate Prof., Department of Orthopedics
Dr. Swarastra Prakash Singh, Associate Prof., Department of Ophthalmology
Mr. Vishal Kumar, Account Officer, Account Department
Mr. Ravi Bishnoi, Senior Nursing Officer, Nursing Department

The Hindi translation was done and supervised by the AIIMS Hindi Section led by Mr Bibek Keshari, Junior Hindi Translator.

Contributed By:-

Dr. Rajat Subhra Das, Additional Prof. & Head, Department of Anatomy
Dr. Bhupendra Singh, Associate Professor, Department of Anesthesiology
Dr. Sanjay Yadav, Additional Prof., Department of Biochemistry
Dr. Sourabh Paul, Assistant Prof., Department of Community Medicine
Dr. Sankalp, Assistant Professor, Department of Cardiothoracic and Vascular Surgery
Dr. R.S Bedi, Prof. & Head , Department of Dentistry
Dr. K Geetha, Associate Professor, Department of Dermatology
Dr. Pramod Kumar, Assistant Prof., Department of General Medicine
Dr. Niraj Kumar Srivastava, Associate Professor, Department of General Surgery
Dr. Shefali Gupta ,Assistant Professor, Department Of Microbiology
Dr. Archana Verma, Professor, Department of Neurology
Dr. Suyash Singh, Assistant Professor, Department of Neurosurgery
Dr. Parul Sinha Associate Prof., Department of Obstetrics & Gynecology
Dr. Pragati Garg Prof.& Head, Department of Ophthalmology
Dr. Annanya Soni, Assistant Prof., Department of Otorhinolaryngology
Dr. Gaurav Kumar Upadhyaya, Associate Prof., Department of Orthopedics
Dr. Mritunjay Kumar, Associate Professor, Department Of Paediatrics
Dr. Sunita Singh, Associate Prof., Department of Pediatrics surgery
Dr. Neeraj Kumari, Professor, Department of Pathology
Dr. Sachichidanand Tiwari, Assistant Professor, Department of Pharmacology
Dr. Anshu Khatri , Additional Prof., Department of Physiology& Girls Hostel Incharge
Dr. Satyaranjan Sethi, Assistant Professor, Department of Physical Medicine and Rehabilitation
Dr. Arghya Pal, Assistant Professor, Department of Psychiatry
Dr. Rashmi Shukla, Assistant Professor, Department of Psychiatry
Dr. Dnyaneshwar Shridharrao Patale, Assistant Professor, Department of transfusion medicine and Blood bank
Dr. Harshit Agarwal, Assistant Professor, Trauma and Emergency General Surgery
Dr. Amit Kumar Mishra, Assistant Professor, Department Of Urology
Dr. Tarun Prakash Maheshwari, Associate Prof., Boys Hostel In charge
Shri Samir Shukla, Senior Administrative Officer, Administration
Shri Vishal Kumar, Account Officer, Account Department
Shri Ravi Bishnoi , Senior Nursing Officer, Nursing Department
Shri Praveen Kumar Singh, Asst. Engg., Engineering Department
Miss. Tanya Srivastava, Radiographer
Shri Vijay Kumar, Receptionist, Reception/Medical Record Department
Shri Ajay Kumar, Assistant Security Officer Security & Sanitation Services
Shri Alok Shukla, Pharmacist

PRESIDENT'S MESSAGE

Prof. Pramod Garg

President
AIIMS, Raebareli

The past year will be long remembered for the COVID pandemic which led to misery and despair all around us. The world came to a halt. Yet the year also kindled hope. The indomitable spirit of the mankind overcame the melancholy. Medical science and human health came to the forefront during the pandemic. Unprecedented scientific progress resulted in the development of effective vaccines in record time to tame the virus. India joined the elite group of a handful of nations and developed its own indigenous vaccine showcasing its research prowess. Although the sea-saw battle between science and virus is still raging, there is no doubt about science's ultimate triumph.

I am happy that AIIMS, Raebareli, which is still a work in progress, has continued its development journey despite the difficulties, thanks to the sincere efforts of the administration. It is a testimony to human resilience which beats all barriers. During the crisis, the people of Raebareli and adjoining areas looked up to A.I.I.M.S. which rose to the challenge and started diagnostic services for Covid-19 in an area devoid of such advanced facilities. Furthermore, the faculty and resident doctors helped patients by providing medical consultations. Without losing any time, the faculty of the institute continued the academic activities for the students in an online mode during the nationwide lockdown. The clinicians switched over to telemedicine to render their services to patients in need.

During my visit to the Institute to monitor its development status, I was satisfied with the ongoing work and the progress. I must commend the effort and motivation of all concerned especially the Executive Director, Prof. Arvind Rajwanshi, under whose leadership they have worked hard and sincerely for timely completion of the infrastructure activities. According to the estimates, I am hopeful that full-fledged hospital services would commence during the first half of the 2021-2022 and our MBBS students would be able to start their clinical rotation for the much-desired clinical exposure in the hospital.

I am confident that the institute will soon play a significant role to fulfill the national the goal of PMJAY, a flagship scheme of Govt. of India under the inspiring leadership of our honourable Prime Minister Shri Narendra Modi ji and guidance of the Union Health Minister, Dr. Harsh Vardhan ji.

With our combined efforts, we would succeed in our mission to establish AIIMS, Raebareli as a centre of excellence in medical education, training, health care and research.

Let me quote Nobel Laureate **Rabindranath Tagore** –

"I slept and dreamt that life was joy. I awoke and saw that life was service. I acted and behold, service was joy".

Since it so aptly applies to the medical profession, let's strive to serve the humanity.

I wish all the members of the A.I.I.M.S. family a healthy and productive time ahead as they endeavour to take this Institution to a greater height.

Prof. Pramod Garg,
President,
AIIMS Raebareli.

FROM THE DESK OF THE EXECUTIVE DIRECTOR

Prof. Arvind Rajwanshi

M.B.B.S., M.D., FRCR (London)
Executive Director & C.E.O.
AIIMS Raebareli

It gives me immense pleasure even as I feel honoured to present the Annual Report and the audited statement of accounts of All India Institute Of Medical Science (AIIMS) Raebareli for the year 2020 - 21.

Established as the 7th AIIMS after AIIMS, New Delhi, this Institute has taken up the mantle of imparting undergraduate medical education (MBBS), since August 2019, passed on it by Govt. of India. The first batch of 48 students for the M.B.B.S. course (2019) was admitted in the month of August, 2019. And thus, we embarked on a mission to provide the society with competent medical professionals.

In order to achieve that objective, the Institute has gradually got itself armed with dedicated Medical Educationists who have put their every effort to shape up the academic and mental attitude of the young minds to rise up to the occasion as they would face down the line and give out their best to the society.

In the clinical aspect, our young and dynamic clinicians hardly could expand their services in the OPD, the Covid 19 pandemic hit the mankind during the early part of 2020. Our on-going plan of progress got shattered at that time since we were planning to start IPD services in gradual manner. Despite getting unsettled by suddenness of the impact of Covid 19, we soon got ourselves re-oriented and the OPD services continued through telemedicine till for the rest of the period. A good number of people got the benefit of that service.

After a prolonged period, the physical OPD services resumed in the month of Feb., 2021 to the much needed relief of the beneficiaries. During this period of 2020 -21, total of 12086 patients availed the OPD services in person while 19616 availed the service through telemedicine.

During that challenging period, the academic part was carried out through online mode till Nov., 2020 as the students returned and the physical classes resumed from the 1st week of Dec., 2020 as the severity of the pandemic started waning significantly.

We ushered in the New Year (2021) with a great hope as the new batch i.e. the 2nd batch of 100 students for the MBBS course got admitted in Jan., 2021. Following the Foundation course the MBBS schedule started from Feb., 2021. The students and staff celebrated the season by organizing the Saraswati Vandana in January and 1st Annual Fest, AFFINITY 2021 during March, 2021 with much fanfare.

The Institute has taken renewed steps to gain the momentum both in the academic and the clinical fronts. The faculty, officers and all categories of staff have made it a point to contribute in every sphere to make AIIMS Raebareli an extraordinary Institute of medical sciences to render its quality service to the mankind. And we have taken this vow to move on for achieving that goal.

Let me invoke the great teaching of **Swami Vivekanand** -

“Arise, awake, and stop not till the goal is reached”

(Arvind Rajwanshi)

ABOUT AIIMS

All India Institute of Medical Sciences (AIIMS) at Raebareli in Uttar Pradesh was approved in February, 2009 under phase-II of Pradhan Mantri Swasthya Suraksha Yojana (PMSSY) at an approved cost of Rs. 823 crore. The State Government had agreed to provide 148 acres of land. A Gazette Notification was issued on 13th August, 2013 for establishment of the All India Institute of Medical Sciences at Raebareli, with the distinction of being the 7th AIIMS after AIIMS, New Delhi. The Government of Uttar Pradesh transferred land measuring 97 acres out of already agreed 148 acres to the Central Government in July, 2013 for establishment of AIIMS Rae Bareli. The remaining 51 acres of land is under acquisition by the State Government and is expected to be provided in due course. The Ministry appointed M/s HSCC (India) Ltd as project management consultant in July, 2013.

Due to some technical issues the project got delayed substantially for several years. However, the Hon'ble Prime Minister Shri Narendra Modi inaugurated the infrastructure development under Phase - I and also laid the foundation stone for Hospital and Medical college building on 16 December 2018.

In the month of march 2020 a big catastrophe struck the world in the form of COVID-19 pandemic. Nationwide lockdown was imposed from 25 march 2020 till 31 may 2020 and even after that restrictions were put into effect on routine movement. AIIMS OPD was suspended from the start of lockdown but from 20 April 2020 many digital outpatient department was started though telemedicine via call, whatsapp and e-mails that continued till the end of January 2021.

Fresh recruitments were done for faculty in September 2020 and our faculty strength swelled from 26 to 66. Second MBBS batch of 2020 of 100 students joined our institute in December 2020

In person OPD was started again from 2 february 2021 in new hospital building with several new super specialities the no of departments in OPD increased from 8 to 16 upto 31 March 2021.

In march student organised their first intracollege sports cum cultural festival named Affinity in march 2021 and both MBBS batches of 2019 and 2020 participated with great enthusiasm and fervour.

Mission & Vision

To establish a centre of excellence in medical education, training, health care and research imbued with scientific culture, compassion for the sick and commitment to serve the mankind.

About Logo of AIIMS Raebareli

The serpents and the staff symbolize the ambrosial effect of medication provided by the doctors to succour and relieve the ailing.

- The two flapping wings denote the mental prowess of noble doctors in terms of right diagnosis and relentless search for right medications to tide over and eradicate physical ailments.
- The sheaves of wheat and people celebrating denote the peace, prosperity amity that is brought about by good health.
- The Sanskrit shloka "**SwasthayamSarvarthsadham**" means good health is greatest blessing and pre-requisite for all ventures in life.

INSTITUTE BODY

The government of India, Ministry of Health & Family Welfare vide Gazette Notifications dated 31st October 2018, 15th July 2019 and 01st August 2019 has constituted the Institute with the following Members of Institute Body:

Sl. No.	Member	Status in IB
1	Dr. Pramod Garg	President, AIIMS Raebareli
2	Shri Ajay (Teni) Misra Hon'ble Member of Parliament, Lok Sabha	Member
3	Dr. Mahesh Sharma Hon'ble Member of Parliament, Lok Sabha	Member
4	Sri Pradeep Tamta, Hon'ble Member of Parliament, Rajya Sabha	Member
5	Vice-Chancellor, King George Medical University, Lucknow	Member
6	Shri Rajesh Bhushan, IAS Secretary, MoH&FM, Government of India	Member
7	Director General Health Services, Government of India	Member, Ex-officio
8	Dr D S Gangwar, IAS Additional Secretary & Finance Advisor	Member, Representative of MoF
9	Chief Secretary, Government of Uttar Pradesh	Member
10	Director, JIPMER, Puducherry	Member
11	Prof. P. Kar, Ex-Dean, Faculty of Medical Sciences, Delhi University	Member
12	Dr. S. C. Sharma, Ex.HOD (ENT), AIIMS, Delhi	Member
13	Dr. Siddarth Ramji, Ex. Dean, Maulana Azad Medical College, New Delhi	Member
14	Dr. Padma Srivastava, Professor of Neurology, AIIMS, Delhi	Member
15	Director, Indian Institute of Technology (BHU)	Member, Representative of MHRD
16	Dr. Gyaneshwar Tonk, Associate Professor & HOD, Dept. of Orthopedics, Lala Lajpat Rai Memorial Medical College, Meerut	Member
17	Prof. Arvind Rajwanshi Executive Director, AIIMS, Raebareli	Member Secretary

GOVERNING BODY

The Institute Body has unanimously constituted the Governing Body of AIIMS, Raebareli as under in terms of section-10 of the AIIMS Act, 1956, Para-5 of the AIIMS Regulation, 2019 and all other relevant provisions of the Act, Rules & Regulation:-

SI. No.	Name and Designation	Status in GB
1	Dr. Pramod Garg	Chairperson
2	Shri Ajay (Teni) Misra Hon'ble Member of Parliament, Lok Sabha	Member
3	Director General Health Services, Government of India	Member, Ex-officio
4	Chief Secretary, Government of Uttar Pradesh	Member
5	Vice-Chancellor, King George Medical University, Lucknow	Member
6	Dr D S Gangwar, IAS Additional Secretary & Finance Advisor, Representative of MoF	Member
7	Dr. S. C. Sharma, Ex.HOD (ENT), AIIMS, Delhi	Member
8	Dr. Padma Srivastava, Professor of Neurology, AIIMS, Delhi	Member
9	Dr. Siddarth Ramji, Ex. Dean, Maulana Azad Medical College, New Delhi	Member
10	Director, Indian Institute of Technology (BHU), Representative of MHRD	Member
11	Prof. Arvind Rajwanshi Executive Director, AIIMS, Raebareli	Member-Secretary

STANDING FINANCE COMMITTEE

The Institute Body has unanimously constituted the Standing Finance Committee (SFC) of AIIMS, Raebareli as under in terms of the Section – 10(5) & 10 (6) of the AIIMS Act, 1956, Rule-6 & 7 (1) of the AIIMS Rules, 2019 and all other relevant provisions of the Act, Rules & Regulation:-

SI. No.	Name and Designation	Status in SFC
1	Shri Rajesh Bhushan, IAS, Secretary, MoH&FM, Government of India	Chairperson
2	Dr. S. C. Sharma, Ex.HOD (ENT), AIIMS, Delhi	Vice- Chairperson
3	Dr. Mahesh Sharma Hon'ble Member of Parliament, Lok Sabha	Member
4	Dr D S Gangwar, IAS, Additional Secretary & Finance Advisor, Representative of MoF	Member
5	Director General Health Services, Government of India	Member, Ex-officio
6	Vice-Chancellor, King George Medical University, Lucknow	Member
7	Dr. Siddarth Ramji, Ex.Dean, Maulana Azad Medical College, New Delhi	Member
8	Director, Indian Institute of Technology (BHU), Representative of MHRD	Member
9	Prof. Arvind Rajwanshi, Executive Director, AIIMS, Raebareli	Member-Secretary

STANDING SELECTION COMMITTEE

The Institute Body has unanimously constituted the Standing Selection Committee (SSC) of AIIMS, Raebareli as under in terms of the Section – 10(5) & 10 (6) of the AIIMS Act, 1956, & 07 (1), 7(2), & 9(2) of the AIIMS Rules, 2019 and all other relevant provisions of the Act, Rules & Regulation:-

SI. No.	Name and Designation	Status in SSC
1	Dr. Padma Srivastava, Professor of Neurology, AIIMS, Delhi	Chairperson
2	Vice-Chancellor, King George Medical University, Lucknow	Vice- Chairperson
3	Dr. S. C. Sharma, Ex.HOD (ENT), AIIMS, Delhi	Member
4	Director General Health Services, Government of India	Member, Ex-officio
5	Director, JIPMER, Puducherry	Member
6	Dr. Siddarth Ramji, Ex.Dean, Maulana Azad Medical College, New Delhi	Member
7	Prof. P. Kar, Ex-Dean, Faculty of Medical Sciences, Delhi University	Member
8	Director, Indian Institute of Technology (BHU), Representative of MHRD	Member
9	Prof. Arvind Rajwanshi Executive Director, AIIMS, Raebareli	Member-Secretary

STANDING ACADEMIC COMMITTEE

The Institute Body has unanimously constituted the Standing Academic Committee (SAC) of AIIMS, Raebareli as under in terms of the Section – 10(5) & 10 (6) of the AIIMS Act, 1956, & 7 (1) & 7 (2) of the AIIMS Rules, 2019 and all other relevant provisions of the Act, Rules & Regulation:-

SI. No.	Name and Designation	Status in SAC
1	Vice-Chancellor, King George Medical University, Lucknow	Chairperson
2	Sri Pradeep Tamta,, Hon'ble Member of Parliament, Rajya Sabha	Member
3	Dr. S. C. Sharma, Ex.HOD (ENT), AIIMS, Delhi	Member
4	Director General Health Services, Government of India	Member, Ex-officio
5	Director, JIPMER, Puducherry	Member
6	Dr. Siddarth Ramji, Ex. Dean, Maulana Azad Medical College, New Delhi	Member
7	Dr. Padma Srivastava, Professor of Neurology, AIIMS, Delhi	Member
8	Director, Indian Institute of Technology (BHU), Representative of MHRD	Member
9	Prof. Arvind Rajwanshi, Executive Director, AIIMS, Raebareli	Member-Secretary

STANDING ESTATE COMMITTEE

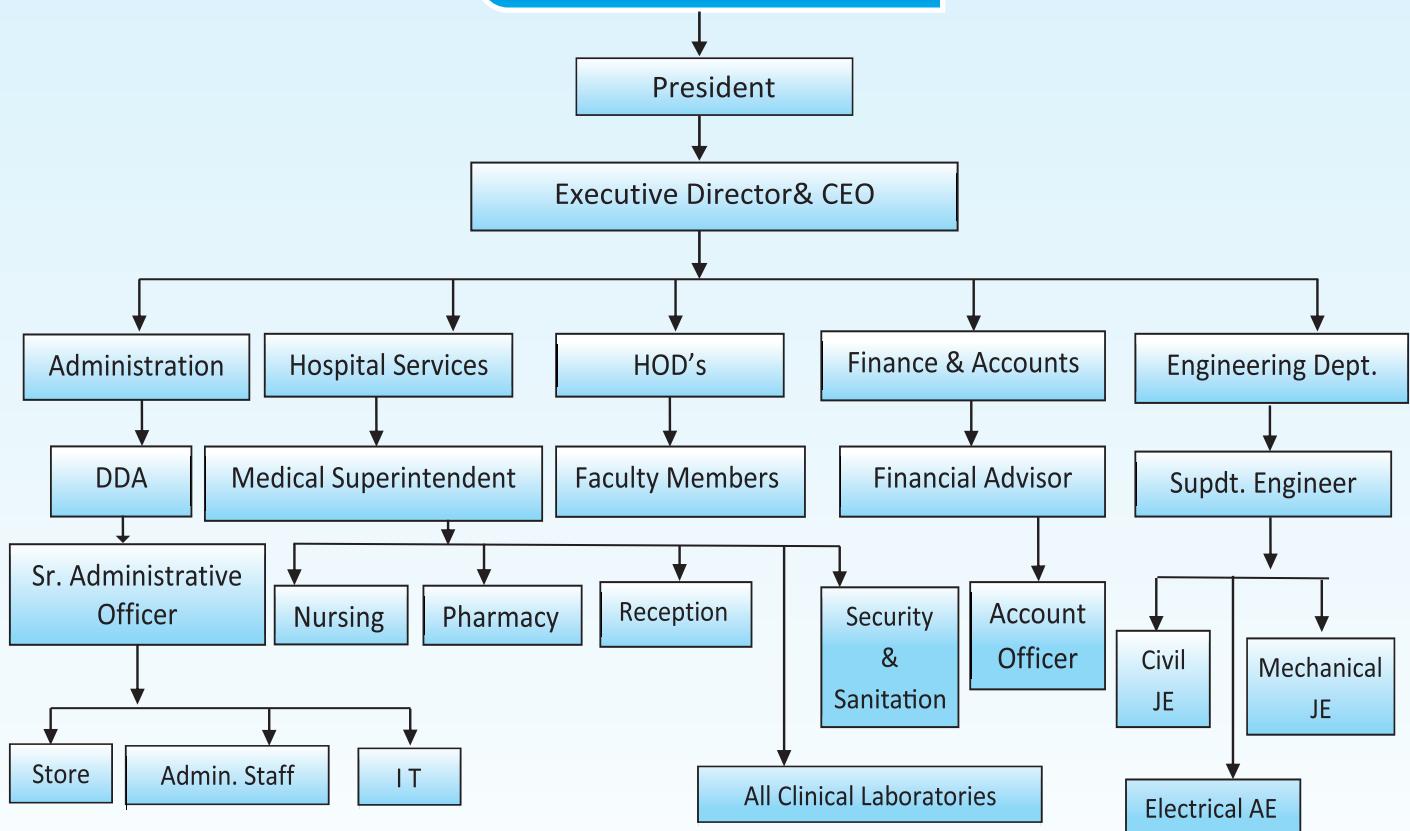

The Institute Body has unanimously constituted the Standing Estate Committee (SEC) of AIIMS, Raebareli as under in terms of the Section – 10(5) & 10 (6) of the AIIMS Act, 1956, and all other relevant provisions of the Act, Rules & Regulation:-

Sl. No.	Name and Designation	Status in SEC
1	Dr. Mahesh Sharma Hon'ble Member of Parliament, Lok Sabha	Chairperson
2	Chief Secretary, Government of Uttar Pradesh	Vice-Chairman
3	Vice-Chancellor, King George Medical University, Lucknow	Member
4	Director General Health Services, Government of India	Member, Ex-officio
5	Dr. Padma Srivastava, Professor of Neurology, AIIMS, Delhi	Member
6	Director, Indian Institute of Technology (BHU), Representative of MHRD	Member
7	Director, JIPMER, Puducherry	Member
8	Dr. Gyaneshwar Tonk, Associate Professor & HOD, Dept. of Orthopedics, Lala Lajpat Rai Memorial Medical College, Meerut	Member
9	Prof. Arvind Rajwanshi, Executive Director, AIIMS, Raebareli	Member-Secretary

All India Institute of Medical Sciences, Raebareli, Uttar Pradesh

ORGANOGRAM

DEPARTMENT OF ANATOMY

Sl. No.	Faculty	Designation
1	Dr. Anshu Sharma	Professor & Head of Dept. Anatomy
2	Dr. Rajat Subhra Das	Additional Professor
3	Dr. Tarun Prakash Maheshwari	Associate Professor
4	Dr. Balkund Kailash Damodhar	Associate Professor
5	Dr. Shubhangi Yadav	Assistant Professor
6	Dr. T. Naveen Sagar	Assistant Professor
7	Dr. Amit Kumar Shreevastava	Assistant Professor

Introduction

Department of Anatomy in AIIMS Raebareli came into existence in the year 2019. Hundred new MBBS students were admitted during the academic year 2020-2021. At present, six faculty members are working in the department. The department has been shifted to a new medical college building in January 2021 which has adequate infrastructure to establish the department. All the faculty members have spared no pain to maintain excellence in the medical teaching and research field. The mission of the department has to make each student understand that the art of medicine starts from dissecting and finding the secrets of the human body and its superb anatomical design.

In compliance to have a competency based Teaching-Learning method, we introduced a vertically integrated model in cooperation of the surgical disciplines. At the same time, we emphasized on clinical based learning with applied aspect of Anatomy.

Academic Activity

The department conducted regular didactic lectures as well as DOAP/Seminars/Tutorials/SDL etc. for the first-year MBBS students. During COVID-19, the department has managed many lectures and demonstration classes excellently through the online platform. Both theoretical and practical assessments during COVID-19 had been done utilizing online media. Hence, the department has performed efficiently both offline and online modes of education.

With the waning of the severity of Covid19, the offline mode of teaching resumed in the month of Dec., 2020 for the MBBS 2019 Batch. The new batch of 100 students got admitted in the month of Jan., 2021. Following the foundation course, the MBBS scheduled classes commenced from Feb., 2021. We followed the latest examination pattern for periodical assessment of the MBBS students and counsel, motivate and provide due attention to the poor performers.

The departmental library has adequate recommended books that can be utilized by both the faculty members and students. The department has procured five cadavers from our mentor Institute, PGIMER, Chandigarh, and two cadavers from KGMU, Lucknow during this academic session. The departmental museum has been equipped with well dissected wet specimens. The histology laboratory had adequate numbers of light microscopes and histology slides. Our department has been acclimatized and fully engrossed in the latest way of teaching methodology. Meanwhile, we are working on procurement of desirable equipment to make departmental teaching more emphatic and competent.

Research activity

During this period, a couple of basic research activities were conducted based on cadaveric specimen. In due course of time the publication of the same would be taken up by obtaining the mandated approval of the authority after formation of the Institutional Ethics Committee.

Achievements

1. Dr. Rajat Subhra Das

Participated as Chairperson in during International Virtual Anatomy Conference (**IVACON 2021**), organized by the Anatomical Society, King George's Medical University, Lucknow, from 20-22 February, 2021.

2. Dr. Shubhangi Yadav

She had got a publication titled 'Clinical and epidemiological profile of patients infected by COVID-19 at a tertiary care centre in North India' in Monaldi Archives for Chest Disease 2020; 90:1357.

DEPARTMENT OF ANESTHESIA

SI.No	Faculty	Designation
1	Dr. Bhupendra Singh	Associate Professor
2	Dr. Jameel Abdul aleem	Assistant Professor
3	Dr. Hirok Roy	Assistant Professor
4	Dr. Shilpi Verma	Assistant Professor

Introduction

Department of Anesthesiology & Critical Care was established in November, 2020 in All India Institute of Medical Sciences, Raebareli with the objective of:

- To provide peri-operative care and management of critically ill patients along with management of acute & chronic pain syndromes and palliative care services.
- Establishment of post-graduate medical education courses which aims at training the medical students to excel and participate in quality research work.

Academic Activity

- Department of Anaesthesiology arranged a lecture and demonstration on Basic Life Support for the MBBS students of batch 2021.
- Our department was first to present a seminar on Advanced Cardiac Life Support in institutional Common Grand Rounds.
- Faculty members from the department also participated in various Conferences/Seminars (Online/Physical).
- Faculties have published articles in reputed international/national journals and also have presented posters in international/national conferences.
- Prepared syllabus for post-graduate medical education courses.

Research Activity

Department of Anesthesiology has planned for various research and academic activities for the next session as soon as the operation theatre and intensive care unit is fully functional.

Clinical Activity

Department of Anesthesiology provided medical expertise in COVID 19 Vaccination Programme in our institute and management of various Adverse Event following Immunization (AEFI).

Achievements

- Provided medical expertise for the successful conduct of COVID-19 Vaccination programme in our institute.

DEPARTMENT OF BIOCHEMISTRY

Sl. No.	Faculty	Designation
1.	Dr. Sanjay Yadav	Additional Professor and HOD
2.	Dr. Altaf A Mir	Assistant Professor
3.	Dr. Ankit Gupta	Assistant Professor
4.	Dr. Sadashiv	Assistant Professor

Introduction

The department of Biochemistry is functional from the day of establishment of the Institute. The department currently has 5 faculty and several supporting staffs. The department is providing the quality teaching to graduate students and have plans to extend it to master level. Along with teaching, it also provides the routine biochemical diagnostic services and has plan to establish the several new molecular and biochemical tests. Department is also committed to perform cutting edge research in biochemistry and associated subjects.

Projects:

1: Project Title: Dissection of molecular mechanisms involved in host cell remodeling by malaria parasite and during concurrent infections.

Project ID: Govt.-DHR-10-001

Project/Chief Investigator: Dr. Ankit Gupta

Project duration: 5 Years (July, 2019 - July, 2024)

Total budget: 72, 74, 275/- rupees

Scheme/Agency: Department of Health Research (DHR), India

2: Project Title: Functional characterization of *Plasmodium falciparum* ion transporters prokaryotic in origin for drug development against malaria.

Project/Chief Investigator: Dr. Ankit Gupta

Project duration: 2 Years (November, 2019 – October, 2021)

Total budget: 31, 63,395/- rupees

Scheme/Agency: Science and Engineering Research Board (SERB), India for Start-Up Research Grant (SRG)

Awards/ Conferences/ Meeting:

1. Dr. Altaf A. Mir presented a paper title “Diagnostic Serum Proteomic Profiling of Patients with Active tuberculosis using 2D-PAGE” at Laboratory Medicine Congress 2020 at Incheon, South Korea.
2. Received Global Investigator Award from the organizers of at Laboratory Medicine Congress 2020 at Incheon, South Korea.
3. Dr Sadashiv attended “FIMSA Immunology Course-2020” meeting organized by Indian Immunology Society and “COVID-19: Biochemistry Lab Perspective” meeting organized by Department of Biochemistry AIIMS Nagpur.
4. Dr Sadashiv became the life membership of “Association of Clinical Biochemists of India”.
5. Dr. Ankit Gupta delivered oral presentation “Prevalence of chronic kidney disease and its association with risk factors in eastern Uttar Pradesh” in National Conference of Epidemiological Association of India (EFICON-2020), organized by All India Institute of Medical Sciences (AIIMS), Rishikesh.

DEPARTMENT OF CARDIOTHORACIC AND VASCULAR SURGERY

Sl. No.	Faculty	Designation
1.	Dr Sankalp	Assistant Professor

Introduction

Cardiothoracic and vascular surgery department deals with the surgical management of diseases pertaining to heart, lungs, chest and blood vessels. Dr Sankalp joined as the first faculty (founder member) in the Department on the 31st of October 2020.

The aim of the department is to provide universal and comprehensive cardiothoracic and vascular care to all and to develop a systems-dependent model of healthcare delivery at AIIMS, Raebareli. Our teaching/training activities will not only include medical students at all levels but also cardiac nurses, perfusionists and other technicians.

Academic activities (Conference/seminar/workshops)

Foundation course lecture for the MBBS batch

Lecture for other faculty members as part of CGR

Research activity

Publication- 'Analysis of various techniques of aortic root enlargement' (Asian Cardiovascular & Thoracic Annals)

Clinical activity

CTVS department has seen 145 OPD patients in this time period.

The department has also provided guideline directed medical management to needy cardiac patients in absence of a functioning department of Cardiology, in the process filling a major lacuna and overall providing an alternative for patients who travel long distances for specialist cardiac/thoracic/vascular opinion.

Achievements

Dr Sankalp, besides conducting administrative and clinical work, has published a review article in a peer reviewed journal of repute. He has also become reviewer for two PUBMED indexed national and international journals. He is a life member of Indian Association of Cardiovascular and Thoracic Surgeons, the umbrella association for all cardiothoracic and vascular surgeons in India.

DEPARTMENT OF COMMUNITY MEDICINE

Sl. No.	Faculty	Designation
1.	Dr Sourabh Paul	Assistant Professor
2.	Dr Abhay Singh	Assistant Professor
3.	Dr Chandra Mauli Mishra	Senior Resident

Introduction

Department of Community Medicine, AIIMS Raebareli was established in September 2019 with the objective to provide high quality teaching & training of the Undergraduate Medical students/Postgraduate Medical Students of the institute along with quality research activity.

Vision

To develop a Center of excellence in Community Medicine Department by providing high quality education, services and ethical values for the community with the spirit of scientific enquiry and empathy.

Academic activities and achievements

Department is conducting regular theory classes as well as demonstration for the under graduate students. Number of classes conducted by the department as follows:

	Theory class (1 st year & 2 nd year MBBS students)	Practical & clinical postings
Academic activities	36	68
Common grand round	Presentation : 1	Participation: 6

Department has been developing Rural Health Training Center at Salon, Community Health Center (CHC), Raebareli and Khagipur Sadwa as Urban health training center (UHTC). Student's field visit and family study has been started in urban field practice area.

Dr Sourabh Paul, Assistant professor had attended three (3) virtual National / International Conferences, Three (3) virtual workshop and two (2) Virtual CMEs in this duration. He had also a poster presentation in one of the national conference. He also became a national level coder for Verbal Autopsy (MINerVA coding) project. He had also become reviewer of Two (2) International journals during the time period. He had published four (4) original researches, one (1) review article during the time period. He also became an author of a book entitled "Geriatric problems and remedies: prospective of a community physician in India" Published by Mahi Publication House.

Dr Abhay Singh, Assistant Professor

- Attended and participated in International/National Conferences during this period.
- Worked as a Supervising Officer in conducting a “Quality Assessment of Poshan Abhiyaan”.
- Worked as a SST (State Surveillance Team) Member for HIV Surveillance Plus - 2021 in different districts of U.P. – A National Project.
- Worked as a Coder in MINErVA (Verbal Autopsy) – A National Project.
- Worked as an Observer in INI-CET for PG courses in Kanpur for AIIMS, New Delhi.

Research Activity

Department had conducted an implementation research activity en titled “Quality Assessment of Poshan Abhiyan” in the Amethi district in collaboration with IAPSM and alive & Thrive.

Clinical activity

Department had conducted an awareness session on “Food hygiene in relation with personal hygiene” among the cooks and workers of students mess/canteen on 2nd June, 2020.

Department had celebrated “Environmental control measure of mosquito larvae” by releasing Gambusia fish in a pond of AIIMS Raebareli premises on occasion of Independence day 2020.

Department had organized “Cancer awareness rally and CME” on the occasion of World cancer day 4th February 2021.

Department had also organized 4 (four) health talk session with the students of 2nd year MBBS for the construction laborers and their families.

Similarly department was conducting regular preventive checkup of the OPD patients in collaboration with the medicine OPD of AIIMS, Raebareli.

DEPARTMENT OF DENTISTRY

Sl. No.	Faculty	Designation
1.	Dr. R.S.Bedi	Professor & Head, Dept. of Dentistry
2.	Dr. Shivesh Acharya	Assistant Professor
3.	Dr. Priti Shukla	Assistant Professor

Introduction

Department of Dentistry started OPD services on 13.08.2018. The faculty and staff in the department is a balanced blend of well trained, highly dedicated, hard-working, focused and experienced dental professionals. Every member on our strength works consciously to promptly provide contemporary and most advanced management for various dental problems to our patients across the entire spectrum of population from paediatric to geriatric age group.

Clinical Activity

The department kept on providing the treatment to the patients during the active COVID-19 period. Total 1060 patients were provided various treatments facility of which existed in the department since the time of its inception

- Consultation & Counseling (for oral hygiene) for problems related to teeth & maxillofacial region
- Preventive measures to avoid dental & maxillofacial problems (Pit & Fissure sealing, Fluoride varnish application)
- Paediatric endodontics (Direct/ indirect pulp capping, Pulpotomy & Pulpectomy)
- Apexification and Apexogenesis
- Stainless steel crowns for deciduous teeth
- Treatment for tooth decay & infections (Composite Restorations, Root canal treatment & Apicoectomies)
- Oral Prophylaxis (Scaling, Root planning & Polishing)
- Dental Esthetic procedures and Extraction of non-restorable teeth

We were successful in further expanding the spectrum of treatment facilities in the following areas:

- Surgical management of impacted teeth
- Management of various infections of oral & maxillofacial region (Fascial space infections & Osteomyelitis)
- Management of the diseases of the jaw joints (Temporo-mandibular joint)

- Surgical management of traumatic injuries to the soft tissues & bones of the oral & maxillofacial region
- Surgical management of the diseases of the maxillary sinuses
- Surgical management of the Tumors of jaw bones and soft tissues in oral and maxillofacial region

Senior Resident Dr. Shruti Singh, MDS (Oral Path. & Microbiology), technical officer, nursing officer and hospital attendants posted in the department were instrumental in achieving the above goals

Research Activity

- a) Dr. R. S. Bedi, Professor, published two scientific papers in indexed journals
- b) Dr. Shivesh Acharya, Assistant Professor, has two publications in indexed journals, one chapter in a book and one book on "Ethical considerations in Pediatric Dentistry".
- c) Dr. Priti Shukla, Assistant Professor, has one scientific publication
- d) Dr. Shruti Singh, Senior Resident, has one scientific publication in indexed journal

DEPARTMENT OF DERMATOLOGY

Sl. No.	FACULTY	DESIGNATION
1.	Dr K Geetha	Associate Professor
2.	Dr Amrita Upadhyaya	Assistant Professor

Introduction

The department of Dermatology, Venereology and Leprosy at the All India Institute of Medical sciences, Raebareli started providing patient care services from October 2020 that began with teleconsultation OPD and subsequently physical OPD was started as covid situation became better. The department currently manages about 50-70 patients daily on an outpatient basis. The department also carries out minor OT procedures like needle extirpations, comedone extraction, intralesional injections, paring, immunotherapy and skin biopsies. Undergraduate students are imparted case based clinical training in OPD and ward. The vision is to bring the department at par with the best in patient care, teaching and research in the country.

Academic Activity

Department imparts clinical classes as well as bedside demonstration and training during clinical posting of undergraduates from 4th semester.

Research activity

Proposal submitted for doing a project on assessing the quality of life in vitiligo patients.

Clinical activity

The department provided direct outpatient as well as online OPD services to the patients.

Achievement

Dr K Geetha, Associate professor had attended 2 National conferences and 2 National workshops in Hair transplant and Dermatosurgery in this time period. She had completed an online training module on Dermascopy conducted by IADVL society. She had been appointed as a member of Hospital management committee, Library committee, Medical education unit, Departmental purchase committee and Technical experts committee of the institute. She presented a lecture on Covid skin manifestations in the common institutional academic program.

DEPARTMENT OF GENERAL MEDICINE

Sr. No.	Faculty	Designation
1	Dr. Pramod Kumar	Assistant Professor
2	Dr Anirudh Mukherjee	Assistant Professor
3	Dr Ambuj Yadav	Assistant Professor

Clinical activity:

1. Patient Care:

- a. During this period, we treated many patients of various diseases like uncontrolled Diabetes mellitus, Hypertension, Hypothyroidism, Hyperthyroidism, Dilated Cardiomyopathy, Ischemic Heart Disease, Chronic Kidney Disease, COPD, Bronchial Asthma and other diseases.
- b. During the treatment of patients, we were more concerned about patients care, satisfaction, education, and follow up.

Statistics:

Physical OPD - 1801 (total)

- 1. Male – 903
- 2. female- 898
- 3. Other – 0

Tele OPD- 5993(total)

New Cases				Old Cases				Total			
M	F	O	T	M	F	O	T	M	F	O	T
596	627	0	1223	307	271	0	578	903	898	0	1801

Dr. Pramod Kumar –

Achievements-

1. Poster presentation in EFFICON 2020 held in AIIMS Rishikesh on topic of Macrocytosis is highly prevalent in Raebareli district Uttar Pradesh.
2. Prevalence, seasonal dynamics and hematological indices of typhoid infection in eastern Uttar Pradesh, Ankit Gupta*, P Kumar and R Gupta. Annals of Medical and Health Sciences Research 2020; 10;1077-1082
3. Macrocytosis is highly Prevalent in Raebareli district, Uttar Pradesh, India. Ankit Gupta*, MU Gani and P Kumar. Int J Res Med Sci 2020; 8(5); 1632 – 1636.

Dr Anirudh Mukherjee-

Achievements

Participated in symposium on cardiovascular disease and diabetes in geriatric age group as faculty and co organizing secretary held in Rishikesh AIIMS.

DEPARTMENT OF GENERAL SURGERY

Sr. No.	Faculty	Designation
1.	Dr Niraj Kumar Srivastava	Associate Professor
2.	Dr Amit Kumar Gupta	Assistant Professor

Introduction

Department of General Surgery is one of important core discipline at AIIMS Raebareli. Department was started in 2018 with OPD services and now we are doing minor procedures and indoor admission. The Department caters large population of nearby area. The Department is committed to provide standard of care to the patients. We have fully equipped modular operation theatre and post-operative area.

Academic Activity

Regular clinical teaching to the undergraduate students. We are providing high quality medical education and training to undergraduate medical student by most receptive teaching module.

Research Activity

Dr Niraj Kumar Srivastava had published one case report in national one case report in international journal.

Clinical Activity

1235 patients were seen in our Outpatient Department and 54 minor procedures had been from April 2020 to 31st March 2021.

Achievements

Dr Niraj Kumar Srivastava

2. He was awarded Diplomate in General Surgery by the National Board of Examination.
3. He was external examiner in General Surgery at AIIMS Raipur for MBBS Final students.
4. He has attended the Laparoscopic Hernia, Bariatric and Colorectal Workshop online under the aegis of AMASICON and ACRSICON 2020.
5. He attended various webinar related to General Surgery like breast and thyroid surgery.
6. He attended the online workshop on POCUS conducted by AIIMS New Delhi.

Dr Amit Kr Gupta,

He had attended two national conferences in this duration. He had also become a member of AMASI and ACRSI during the same period. He was involved in clinical teaching of MBBS students. He had also run the telemedicine surgery OPD during lockdown. He had also published an article on telemedicine which was conducted successfully in our institute during lockdown phase.

DEPARTMENT OF MICROBIOLOGY

Sr. No.	Faculty	Designation
1.	Dr. Shefali Gupta	Assistant Professor
2.	Dr. Sana Islahi	Assistant Professor

Introduction

The Department of Microbiology was established in September 2020 with an aim to provide high quality teaching and training to both undergraduate and post graduate medical students in addition to establishment of diagnostic and research services. Currently, the departments catering to the diagnosis and management of infectious diseases through investigation of clinical specimens received in various labs viz. Bacteriology, Mycology, Parasitology, Serology, Mycobacteriology and Virology.

Academic activities

The Department's teaching programme for MBBS second year students commenced on February, 2021. A total of 19 classes including both theory and practicals had been conducted in the time period.

The department celebrated the World Tuberculosis (TB) day on March 24th, 2021 wherein the MBBS students participated whole-heartedly through poster making competition and spreading awareness of T.B. in the community through role-play. Also, a guest lecture on "Latent Tuberculosis" was delivered by Prof. Amita Jain on the same day that was appreciated by all.

Research activity

Right from its inception, the department had set for itself high standards in diagnostics, teaching, and research to establish the state of the art labs in **Virology, Bacteriology, Mycobacteriology, Serology, Mycology, HIV lab and ICTC, Parasitology** with State of the art **PCR lab** and making the department as laboratory of choice for undertaking research projects, MD program and PhD programs.

Clinical activity

The Department is committed to serve in the field of Medical education and Health Care Services, emphasizing integration of training and health care services with Clinical Diagnostic Laboratory Services and 24 hours emergency laboratory services.

Achievements

The microbiology faculty had proactively worked towards the objective of designing a state of the art COVID RT-PCR lab in the institute since inception.

Dr. Shefali Gupta, had attended 2 National/International conferences and became a reviewer of 3 international journals of repute. She had also attended a one month observership in PGIMER, Chandigarh wherein she rotated between the Departments of Medical Microbiology, Mycobacteriology and Mycology and regularly attended their academic programs. She also took the lead in designing, planning and execution of all activities undertaken on the world TB day celebrations.

Dr. Sana Islahi- As a front line Covid warrior she had contributed in Training of health care workers and took orientation classes on "Sample collection and precautions to be taken for Antigen detection, RT-PCR and Truenat Testing for COVID-19" in AIIMS Raebareli. She had published one original article and one case report in reputed indexed journals in the same time period. She had also contributed as subject expert in the selection of Senior Resident of the Department.

DEPARTMENT OF NEUROLOGY

SI. No.	Faculty	Designation
1	Dr. Ashutosh Kumar Mishra	Assistant professor

Introduction

Department of Neurology **OPD** started from **20 October 2020**.

Clinical activity

- **872** patients were registered in department of Neurology OPD from **20 Oct 2020 to 31st march 2021**
- In Which **100** cases were seen on Online OPD Basis from **20 oct 2020 to 31 jan 2021**
- **772** Cases were seen on offline OPD Basis from **2 feb 2021 to 31 march 2021**

MALE PATIENTS	410
FEMALE PATIENTS	362
TOTAL PATIENTS	772

Research activity

- Became life member of Indian Academy of Neurology & Neuroophthalmology subsection of Indian academy of Neurology (**IAN**)
- Participated in various online webinars &Conferences
- Took lecture during foundation Course on Topic: Technology & Time Management in **1st** year **MBBS** Students.

DEPARTMENT OF NEUROSURGERY

Sr. No.	Faculty	Designation
1	Dr. Suyash Singh	Assistant professor

Introduction

First faculty in the Department of Neurological and Spine surgery joined on October 2020 at the time COVID second wave was pandemic. Initially, the department extended its out patient facility to general population through telemedicine services. Later on physical OPDs were started and super-speciality department had its OPD on three days per week with one special spine clinic on every Wednesday. The department serves patients with brain tumors, traumatic brain and spine injury, and brain haemorrhage.

Academic activities (Conference/seminar/workshops)

Department of Neurosurgery organized Head Injury Awareness Day on 20th March, 2021 with a Slogan Writing Competition. Professor Sanjay Behari, President Neurosurgical Society of UP-UK was invited as guest speaker. Road side awareness was done and Helmets were distributed to general population.

Clinical activity as the case may be.

None

DEPARTMENT OF OBSTETRICS & GYNECOLOGY

Sl. No.	Faculty	Designation
1	Dr. Parul Sinha	Associate Professor
2	Dr. Banashree Nath	Assistant professor
3	Dr. Krishna Singh	Assistant professor
4	Dr. Apala Priyadarshini	Assistant professor
5	Dr. Snehlata Meena	Assistant professor

Introduction

The Department of Obstetrics & Gynaecology at All India Institute of Medical Sciences, Raebareli was established in the year 2018. It is currently running under the charge of Dr Parul Sinha who envisions to make the department an apex centre of patient care, research and education in the state. It caters to women of all age groups. It deals with diseases of female reproductive organs, family planning and care of women during pregnancy, childbirth and puerperium. The department is committed to deliver quality and evidence based clinical services to all patients coming under its domain.

Academic activities

- We are having Long Clinics of Undergraduate MBBS Students since February 2021.
- We are holding fortnightly Departmental Seminar on Relevant topics.
- We organized a CME on the occasion of International Women's Day, 8th March 2021 on **Cervical Cancer Screening & Awareness**. We held a free camp for cervical cancer screening and about 50 Pap smears were taken on that day.
- Involved in taking Orientation classes of First Year MBBS Students in their Foundation course.

Clinical Activities

- Outpatient Department running along with Telemedicine facility. We catered to the needs of about 3300 patients during the year.
- Ultrasonography facility is also available in the OPD area.
- Indoor patient department including 48 bedded Obstetrics & Gynecology Ward, 10 bedded labor observation ward, Labor Room, major and minor OTs will be starting soon.
- Infertility Clinic every Friday in collaboration with the department of Urology is Functional.

- With an aim to spread awareness among masses and provide them the option of safe contraception, the department provides a comprehensive approach to family planning services. Family planning clinic runs daily.
- Cervical cancer screening facilities which include Pap smear, VIA, VILI are also available.
- We are also catering to the High Risk Pregnancy Groups.
- Antenatal and Post natal clinics run daily.
- Menopausal and Adolescent Health Clinics are running daily.

Achievements

Dr Parul Sinha:

- Became the member of Society of Fetal Medicine of India.
- Attended 01 National Conference.
- Published 02 original research.

Dr Banashree Nath:

- Published 03 original articles and one Chapter.

Dr Apala Priyadarshini

- Successfully completed certificate course by American College of Obstetrics and Gynecology (ACOG) on “Current Approaches in the Management of High Risk pregnancy”.

DEPARTMENT OF OPHTHALMOLOGY

Sl. No.	Faculty	Designation
1	Dr. Pragati Garg	Professor & Head,
2	Dr. Swarastra Prakash Singh	Associate Professor

Introduction

The department started its functioning from 26th July 2018 with an aim to provide an excellent facility to the patients and the quality teaching to both undergraduates and post graduates. Vision of the department is to achieve excellence in teaching, training, research and patient care and thus aid in reducing the ocular need of the community.

Clinical activity

- From 1st April 2020 to 1st February 2021: Virtual OPD of around 10-20 patients per day as per the provision due to Covid-19 restriction.
- From 2nd February to 31st March 2021: approximately 30 to 40 patients per day in physical OPD with Covid protocol.
- Bedside teaching for 03 hours/day for the undergraduate students posted in Ophthalmology.
- Journal club: Once a month
- Case discussion: Once a week
- Interdepartmental CME on alternate Saturday at 8.00am

The department of ophthalmology has attended to 5000 OPD patients in the said duration. Of these, patients who were also seen in specialty clinics (during physical OPD) are as under:

- Cataract and Refractive Clinic: 253
- Glaucoma Clinic. 62
- Oculoplastic and Strabismus Clinic 37

Academic achievements

Organized a Glaucoma awareness program during Glaucoma week from 7th to 13th March. During this programme we screened approximately 100 patients per day for Glaucoma.

DEPARTMENT OF OTORHINOLARYNGOLOGY

Sr. No.	Faculty	Designation
1	Dr Annanya Soni	Assistant Professor
2	Dr Arijit Jotdar	Assistant Professor

Introduction

Department of Otorhinolaryngology of All India Institute of Medical Sciences, Raebareli started its journey on 13.08.2018 with the inauguration of the Outpatient services. Starting from a nascent stage department is thriving continuously to upgrade to a centre of excellence in Otorhinolaryngology and Head Neck Surgery. Department is running physical OPD on all working days. And managed telemedicine OPD during COVID pandemic to provide uninterrupted health facilities to the population. Department is involved in undergraduate teaching and hope to start post-graduation soon.

Facilities

- ❖ Outpatient services (Room No 134, 135; Hospital Block)

At present comprehensive outdoor patient services are being provided to the patients visiting the ENT OPD of the institute. Along with the provision for a complete Ear, Nose and Throat clinical examination, including facilities like microscopic examination of the ear, nasal and laryngeal endoscopy.

- ❖ **Minor ENT procedures**- Presently performing surgeries under local anesthesia. Will expand shortly.

Academic achievements

Dr Annanya Soni

- Active member of AOI and ISO.
- 4 publications in national and international journal during the period.
- Presented poster in AOI digital summit-2021(19-20 feb 2021).

Dr Arijit Jotdar

Publications: - 2 publications in National and International Journals. Total citation: 22, h Index: 3

Membership of Professional bodies: -

1. Foundation of Head and Neck Oncology (FHNO) – Member

2. Association of Otolaryngologists of India, West Bengal State Chapter (AOI-WB)

Workshop/ Conference participation: -

1. Yonsei Endoscopic Ear Surgery 2021 and 8th Yonsei Acoustic Tumour Symposium (**YEEs 2021**), 6th – 7th March 2021, Yonsei University, Seoul, South Korea

DEPARTMENT OF ORTHOPEDICS

Sr. No.	Faculty	Designation
1	Dr Gaurav Kumar Upadhyaya	Associate Professor
2	Dr Pulkesh Singh	Associate Professor
3	Dr Amit Kumar	Assistant Professor

Introduction

Department of Orthopedics is providing evidence based and good quality consultation and treatment to the patients attending the out-patients department and through Tele-consultation, which was started during Covid-19 Pandemic. Other than consultation, department is providing various daycare facilities such as slab and cast application for fractures, intraarticular injections for various diseases and other minor procedures.

Clinical activity

Outpatient Department	2020-2021
Physical OPD	1736
Tele OPD	3017
Total	4753
Dressings	18
Slab/Cast/strapping/brace applications	115
Intraarticular/Local injections	05

Department is also educating patients with complaints of knee pain and low back pain regarding changes in lifestyle and physical exercises which are equally important to attain optimum function.

Academic activity

Dr Gaurav Kumar Upadhyaya is currently working as Associate Professor. He is also officiating as Department In charge and has published 9 articles in national and international journals during this period.

Dr Pulkesh Singh is currently working as Associate Professor. During this period, he has published two original research papers in indexed journal.

Dr Amit Kumar is presently working as Assistant Professor. During this period, he published an original research paper in PUBMED indexed journal. He has also worked as a Liaison officer in faculty recruitment committee of the institute.

DEPARTMENT OF PATHOLOGY

Sl. No.	Faculty	Designation
1.	Dr. Niraj Kumari	Professor & Head
2.	Dr. Mayank Gupta	Associate Professor
3.	Dr. Shruti Gupta	Assistant Professor

Introduction

Pathology and Lab Medicine is the one of the fast-growing fields and foundation of all branches of clinical medicine and is represented at the core of all clinical disciplines. It is a link between basic science and clinical medicine that drives the management plan of a patient. The Department formally came into existence in September 2020 and has been providing services in Hematology, Clinical Pathology, and Cytopathology. The goal is to build a department that is self-reliant, highly equipped and skilled to provide best quality undergraduate, postgraduate and super-specialty teaching, and to contribute in patient care.

- **Academic activities:**
 - Foundation course for MBBS students
 - Undergraduate Pathology teaching (4 sessions per week)
 - Orientation classes for technicians (1 session per week)
- **Any Achievements:** Nil
- **Research activity:** Nil
- **Clinical activity:** The department conducted 7123 tests for patient care in the year 2020-2021.

DEPARTMENT OF PEDIATRICS

Sr. No.	Faculty	Designation
1	Dr. Mritunjay Kumar	Associate Professor
2	Dr. Namita Mishra	Assistant Professor
3	Dr. Amit Shukla	Assistant Professor

Introduction:

The Department of Pediatrics at AIIMS, Raebareli is committed to provide state of the art and most advanced healthcare services in various pediatric specialties and sub-specialties. We strive to achieve excellence in child care through innovative medical care, targeted research, quality education, holistic training and consistent advocacy. The Department incorporates highly qualified and experienced faculty members from various pediatric sub-specialties across the country to bring remarkable changes in the quality of child care in this resource limited and densely populated region of the country. We are in the process to start post-graduation courses in Pediatrics and fellowship courses in various sub-specialties of Pediatrics and Neonatology. We provided physical OPD and telemedicine OPD services during the said period and we envisage to begin IPD services, intensive care services (NICU/PICU) and pediatric sub-specialty services in near future.

Academic activity:

Dr. Mritunjay Kumar participated as a chairperson for the scientific session on neonatal acute kidney injury in the UP NEOCON-2020 held on 1st to 4th October 2020. He was invited speaker for e-CME under dIAP platform for sessions on 'Antenatal Hydronephrosis' and 'Nephrotic syndrome' in children. During this period he has got 3 publications in indexed journals in indexed journals. He delivered 2 orientation lectures to MBBS students on 'Basics of internet' and 'Professional presentation'. He also actively participated in fortnightly clinical grand rounds.

Research activity: None

Clinical activity:

We provided physical OPD services and telemedicine services during the 2nd outbreak of COVID pandemic.

Physical OPD Statistics Report (1/4/2020 to 31/3/2021)

DEPARTMENT OF PEDIATRIC SURGERY

SI.No.	Faculty	Designation
1	Dr Sunita Singh	Associate professor

Introduction

The Department was started with one faculty in October 2020. The Department has vision to provide standard of care to the Paediatric and Neonatal Surgical Patients. The Department has the keen interest in the research on ignored and poorly accessible paediatric surgical patients in nearby encatchment area of AIIMS Raebareli. We are conducting multidisciplinary / multicenter programs focusing on prevention strategies, Congenital anomalies and Paediatric trauma at community level.

Academic Activity

Dr Sunita is the faculty In-charge of Surgical Disciplines and Provost Girl's hostel. This accounts for her contribution in the initiation of surgical services at hospital. She edited and compiled the Hostel manual and various hostel forms which facilitate the smooth functioning of the hostel. The teaching of undergraduates in orientation program, regular classes and clinics are also in progress. The especial lectures on psychological well being of students were also organized by her as a Provost. Being a part of Anti-ragging squad team she did efforts to make the AIIMS Raebareli Campus a ragging free zone.

Clinical Activities

The Department is running physical pediatric Surgery OPD 4 days/week with Telemedicine consultation. The Department is providing services regarding Anorectal malformation, Pediatric Urology, Neural tube defects, Neurogenic bladder etc.

Achievements

She was awarded as Member National Academy of Medical Sciences. She has presented four (04) scientific papers in National Conference of Indian Association of Paediatric Surgery. She participated in six (06) National & International Conference. She have published one review article and one case report at international, peer reviewed journal.

DEPARTMENT OF PHARMACOLOGY

Sl. No.	Faculty	Designation
1	Dr. Sachchidanand Tewari	Assistant Professor
2	Dr. Puja	Assistant Professor

Introduction

The Department of Pharmacology of AIIMS Raebareli started in September 2020 with the vision to be a centre of excellence and a leader in medical education, innovative research, evidence-based clinical care and policy making related to medicine in India. We aim to train the budding doctors to be life-long learners of rational therapeutics by promoting Competency-based training.

Academic Activity

We started undergraduate medical teaching in Pharmacology in February 2021 in the form of Large Group Teaching, Small Group Teaching, Self-directed Learning, Problem-Based Learning, Seminar, Practical, Demonstration, Computer Assisted Learning, etc. We are focusing on Competency Based Undergraduate Curriculum for undergraduate teaching and training to inculcate a process of rational thinking and scientific temper in an individual so that he/she shall be competent, as a physician, to prescribe drugs to patients effectively and safely. A total of 22 hours of large group teaching and 14 hours of practical and other teaching methods were held in February to March 2021.

Achievements

Dr. Sachchidanand Tewari, Assistant Professor, in addition to regular teaching and training to undergraduate students, has also delivered a lecture at the MBBS 2020 Batch Foundation Course on the topic ‘E-Leaning’. He attended the ‘12th Indian Society for Rational Pharmacotherapeutics Conference (ISRPTCON – Feb 2021).’ He is also a member and convener of the Committee for Verification of Medical Equipment.

Dr Puja, Assistant Professor, has attended ‘12th Indian Society for Rational Pharmacotherapeutics Conference (ISRPTCON – Feb 2021)’ and published an original research paper, and taken undergraduate classes as per the competency based medical education during the time period.

DEPARTMENT OF PHYSIOLOGY

Sl. No.	Faculty	Designation
1.	Dr. Anshu Khatri	Additional Professor
2.	Dr. Arbind Kumar Choudhary	Assistant Professor
3.	Dr. Yogendra Raj Singh	Assistant Professor

Introduction

It is my honour and privilege as Additional Professor and Incharge to present the Annual report of Department of Physiology. Since its inception in September 2019 Department of Physiology has grown by leaps and bounds. We as first contact with MBBS students joining the college try to make whole heartedly to allay their anxiety and make them feel at ease.

Our mission is to be a guiding light to not only other Departments but all over India. We are taking big strides to achieve our goal of excellence and to provide education of highest standard.

Academic activity

Regular Theory Classes, Practicals, Tutorials and Seminars conducted in the Department of Physiology. Department had conducted Case discussions to develop interest in students about topics. Unit test were also conducted to evaluate the students. First Professional Examination of Theory and Practical of Physiology was conducted in February 2021. Students of First MBBS batch (Batch 2019) passed with 100% result. Classes of Second MBBS batch (Batch 2020) were started from 25/01/2021.

MBBS batch 2019:

1	Lecture	80 hours
2	Practical	61 hours
3	Tutorial	20 hours
4	Seminar	14 hours
5	Case Discussion	6 hours
6	Unit test	12 hours

MBBS batch 2020:

1	Lecture	42 hours
2	Practical	54 hours
3	Tutorial	11 hours
4	Case Discussion	01 hours

Achievement

Dr. Arbind Kumar Choudhary completed online courses, participated in online conferences and webinar and Published original articles, review article and chapter as given below.

DEPARTMENT OF PHYSICAL MEDICINE AND REHABILITATION

S. No.	Faculty	Designation
1	Dr Satyaranjan Sethi	Assistant Professor
2	Dr Arvind Sharma	Assistant Professor

Introduction

Department of Physical Medicine and Rehabilitation was established in Feb' 2021 and OPD services were started with the aim to provide high quality clinical care, education of undergraduate & postgraduate students and research in the field of Physical Medicine and Rehabilitation and is dedicated to improving quality of life of persons with physically disabling condition with the ultimate aim at improving the functioning of the patient.

Clinical Activity

Department has been conducting its regular OPD services since its inception. 5-20 patients are attended per day.

Achievement

Dr Satyaranjan Sethi, Assistant Professor has attended two national conferences in this duration. He has also been a reviewer of two international journals and has published two original research papers during this period.

Dr Arvind Kumar Sharma, Assistant Professor has attended one CME & published one original research paper during this period.

DEPARTMENT OF PSYCHIATRY

SI. No.	Name	Designation
1.	Dr. Rashmi Shukla	Assistant Professor
2.	Dr. Arghya Pal	Assistant Professor

Introduction

The burden of psychiatric illness in the community poses a substantial challenge in front of us. By its sheer natures, psychiatric disorders can wreak havoc in the lives of not only the patients but also the family members and care-givers. But, in spite of such magnitude of the problem, psychiatric disorders are under-utilized, largely due to various factors like inaccessibility, lack of awareness and stigma.

The Department of Psychiatry, All India Institute of Medical Sciences, Raebareli has started its journey in 2020 to provide state of the art services in the field of mental health. The services initially started with tele-psychiatry services (owing to the prevailing restrictions during the pandemic) and there-after traditional OPD services has started. Since then, the footfall of the patients has been steadily increasing. The department remains committed to serve the patients coming from various regions within and outside the state.

Academic activities

Faculty members of the department were actively involved in the conduction of the orientation program of the newly joined undergraduate students.

Research activity

During the said period faculty members successfully published 2 meta-analyses and published 1 chapter under reputed publishing house.

Clinical activity

The department successfully launched its outpatient services which was utilised by the visiting patients as well as the staff and students of the institute.

World Bipolar Day: The World Bipolar Day was celebrated on 30th March 2021 in the outpatient department of Psychiatry and comprised of patient education and community awareness program regarding bipolar disorder.

DEPARTMENT OF TRANSFUSION MEDICINE

Sl. No.	Name	Designation
1	Dr Arunpreet Kaur	Assistant Professor
2	Dr Dnyaneshwar Shridharrao Patale	Assistant Professor

Introduction

Department of Transfusion medicine, AIIMS Raebareli was established in September 2020 with the objective to provide quality blood and blood components to the needy patients as well as to provide teaching and training of undergraduates and post graduated medical students along with research in field of transfusion medicine. Blood centre is currently under development phase and will be fully functional very soon. We have a vision to run a fully equipped blood centre with facilities like fully/semi-automated grouping and cross-matching and antibody screening and apheresis procedures like single donor platelets. We are also working to give better patients care near future by starting procedures like Therapeutic plasma exchange, granulocytapheresis.

Academic activities

Department is taking active participation in MBBS teaching and institutional common grand rounds. Also department has started basic work for blood bank infra-structure development, equipment procurement and blood center licensing procedure. Department is actively engaged in training and teaching of technical and nursing staff of blood center. Standard operating procedure is prepared as per standards of D&C act as well as NABH standards and is ready to get approved by higher authorities.

Achievement

Dr Arunpreet Kaur has attended two national conferences during this period and also published one original paper in international journal.

Dr Dnyaneshwar Patale has also attended two national conferences and published one original article in international journal. He has become reviewer for one international journal during this period.

DEPARTMENT OF TRAUMA & EMERGENCY

Sl. No.	Faculty	Designation
1	Dr Sunny Aggarwal	Assistant Professor (Anaesthesiology)
2	Dr Harshit Agarwal	Assistant Professor (Surgery)

Introduction

Trauma is considered as “neglected disease of modern society”. The department is being established with an aim to prevent “preventable deaths”. We have a vision to establish a state of art “trauma and emergency” services which would be extremely beneficial for the people of Uttar Pradesh.

Academic activities

The department was involved for conducting training for COVID-19 vaccination.

Achievements

Dr Harshit Agarwal, working as Assistant Professor was invited as faculty for ATLS in KGMU. Apart from that, he was invited as external examiner for PDCC (Trauma Surgery) in KGMU. He became reviewer of Indian Journal of Surgery, Clinical Case Reports and Journal of Clinical Orthopaedics and Trauma. During this period, he published 5 research papers. He was also Quiz master during TRAUMA – 2020 conducted by Indian Society for Traumatology and Critical Care (ISTAC). Apart from this, he was a member of committee which was formulated to develop Solid organ injury guidelines for India by ISTAC.

Dr Sunny Aggarwal, working as Assistant Professor attended various conferences and webinars during the said period and published 1 research paper. He has been actively involved in COVID-19 management protocols and is looking forward to develop Trauma & Emergency care services for the institute.

Clinical achievement: The department was involved in COVID-19 vaccination.

DEPARTMENT OF UROLOGY

Sr. No.	Faculty	Designation
1	Dr Amit Mishra	Assistant Professor

Introduction

Department of Urology was established in Oct 2020. The OPD services for the Department of Urology and Renal Transplant were started on 8th October 2020 amidst the Covid-19 Pandemic. Initially patient services were provided through telemedicine and from February 2021 Walk in OPD services have been started at the Institute. Since then the department has actively served many patients for general urological disorders as well as provided specialty services in the areas of Infertility & sexual dysfunction in concordance with other departments.

Academic activities

Department was actively involved in conducting orientation programme of the newly joined undergraduate students. As there are no post graduate or super specialty students in the Institute yet. The department prepared for academic activities for undergraduate students who would be entering 2nd MBBS in Jan 2021, with setting up of demonstration room for case presentation during Clinical Rotation in Urology.

Research activity

No research activity was possible as due to covid pandemic patient load was not up to the mark.

Clinical activity

Between October 2020 to 30th March 2021.

Telemedicine OPD - 24 hrs/week; Total Patients seen 524

Physical OPD when operational (1/2/2020 to 31/3/2020) - 24 hrs/week; Total Patients seen 569

Setting up of 2 specialty Clinics:-

1. Sexual Dysfunction Clinic
2. Infertility Clinics

ADMINISTRATION

Sr. No.	Name	Designation
1	Shri Saroj Kumar Singh	Deputy Director Administration
2	Shri Samir Shukla	Senior Administrative Officer

The General Administration Division of the Institute is an important Wing managing the activities which renders administrative support to the Director to meet the objectives of the Institute. The General administration includes various matters related with personnel and establishment, security, estate matters, stores, vigilance and public relations of the Institute. All matters relating to the establishment section and administration including appointment of staff, arranging meetings of committees, managements and employees welfare are looked after by the AIIMS, Raebareli Administration. Administration facilitates the recruitment of faculty, residents, nursing officers and other staff of various departments.

AIM:

To foster excellence in governance & pursuit of administrative reforms through:

- Improvement in Institute structure and process.
- Documentation & dissemination of good governance practices.
- Continuous improvement of service
- Work with organizational and government policies, procedure and values.
- Ability to work autonomously and as a part of team.

INFORMATION TECHNOLOGY SECTION

In the subdivision of administration IT Section was established in the year 2018 with a vision to bring transparency and efficiency in services related to patients & staff by using Information Technology resources. The major responsibility of IT Section is to provide the technical support services to all the departments. One outsource staff member is associated with IT Section.

MAJOR ACTIVITIES & ACHIEVEMENTS

1. HMIS & QMS
2. Development of Official Website
3. Internet Services
4. On-boarding of AIIMS, Raebareli on CPP Portal

DEPARTMENT OF FINANCE & ACCOUNTS

Sl. No.	Name	Designation
1	Shri Kumar Abhay	Financial Advisor
2	Shri Vishal Kumar	Accounts Officer

Finance and Accounts wing has been established with fully computerized accounting environment. The financial statement of F.Y. 2020-21 has been compiled on accrual basis and audited by the C&AG Office. Copy of Financial Statement and Separate Audit Report (SAR) is annexed.

During this financial year, Ministry of Health & Family Welfare has released adequate Grant-in-Aid to meet the day to day financial requirement of the Institute and for creation of Capital Assets.

During the F.Y. 2020-21 accounts wing has achieved the following mile stones:-

- 80G Registration of the Institute for receipt of donation.
- Setup of payroll system and integration with PFMS System.
- Optimal use of resources and IT infrastructure to bring efficiency and effectiveness in day to day activities.
- Compliance of all statutory dates of TDS, GST Return, Monthly, Quarterly and Annually Statements etc.

DEPARTMENT OF NURSING

Sl. No.	Name	Designation
1	Shri Ravi Bishnoi	Senior Nursing Officer

Nursing division of AIIMS Raebareli being headed by Medical Superintendent from inception rendering nursing services in our reputed institute with a senior nursing officer and 4 nursing officers hand in hand with medical services.

Delegation Of Job Rules, Staff Development And Educational Activities :

The major role of SNO is promotion and fostering professional development of nursing profession and his subordinates.

Staff development aims to improve skills knowledge, competencies and efficiencies of its employees through means of conducting In-Service educational programmers and training to Nursing Officers and Nursing Orderly.

Has directive goal to improve quality of professional health care services while rendering to achievement of institute vision and mission accomplishment in the long run.

Potentiate the capability of its employees to provide quality health care services to its beneficiaries which values for patient centered services delivery as institute core believes and concept.

Health care oriented services accomplished and provision in continuity.

Minor OT/ Procedure Room Facility: - Assisted in procedures in the minor OT.

OPD Services: - Assisted in OPD Services in collaboration with faculty members.

Telemedicine Facility In Covid Pandemic: - Significant role in assisting and providing aid to COVID-19 patients in home isolation through telemedicine platform as an extended assistance and query resolution.

Health teaching services on infection prevention practices, biomedical waste management practices, health promotion regarding food hygiene practices are being conducted routinely. Regarding infection control practices and biomedical waste management practices are being conducted routinely.

A total of 427 number of patient have received ECG services provided by Nursing Officers.

DEPARTMENT OF RADIODIAGNOSIS

Sl. No.	Name	Designation
1	Tanya Srivastava	Radiographer

Radiodiagnosis department is currently providing X-Ray facilities to patients. The department is managed by one Radiographer, one X-Ray Technician and one Hospital Attendant.

Staff development and activities:-

All departmental staff are actively engaged in patient care and producing good quality radiographs. The department serves patients coming from other departments like General medicine, Orthopaedics, ENT, Pediatrics, General Surgery, Gynaecology, and Ophthalmology for radiographs which help in appropriate diagnosis for various diseases. Routine X-Rays are performed on OPD basis. The department is well equipped with high frequency 400 mA Allengers Mars 30 machine for radiographs and CR system of Fujifilm FCR Prima T. Digital X-Ray facility is available in our department.

Total investigation-

OPD services were heavily affected due to COVID-19 but then too approximately 2000 routine X-Rays have been performed in OPD from 1st April 2020 to 31st March 2021.

STUDENT HOSTELS

SI. No.	Faculty	Designation
1.	Dr. Anshu Sharma	Chief Provost
2.	Dr. Sunita Singh	Provost (Girls Hostel)
3.	Dr. Tarun Maheshwari	Provost (Boys Hostel)
4.	Dr. Sandeep Agarwal	Assistant Provost (Boys Hostel)
5.	Dr. Yogendra Raj Singh	Assistant Provost (Boys Hostel)
6.	Dr. Amit Kumar	Assistant Provost (Boys Hostel)
7.	Dr. Amit Shukla	Assistant Provost (Boys Hostel)
8.	Dr. Annanya Soni	Assistant Provost (Girls Hostel)
9.	Dr. Shruti Gupta	Assistant Provost (Girls Hostel)

Hostels are an essential component of the life at this institution wherein students, staff and faculty reside in the same campus.

The life in hostels enables students to spend ample time in the hospital, departments utilizing library and other facilities to acquire the necessary skills that can be obtained only through experience.

Boys hostels are conveniently located, hostellers do not have to travel long distances after a day of hard work and studies. It allows students to interact with their colleagues, make friends, and develop into good human beings capable of independent judgment and coping with the day to day pressures of life. There are seven floor buildings two in number for 2019 batch and 2020 batch students separately.

Each building has suitable no. of living rooms and appropriate convenience room on each floor. Each room is well furnished and allotted for single student. Total 104 rooms are allotted to students. Each hostel is well equipped with Wi-Fi facility and indoor play area. Students of 2020 batch were welcomed with Pin up ceremony on Jan.08, 2021.

There is a seven floor buildings (Girls Hostel: 5) for the accommodation of all undergraduate girls. Building has suitable number of living rooms. Each hostel is well equipped with Wi-Fi facility and indoor play area.

Each room is well furnished and allotted to single student. Total 34 {(2020 batch = 30) + (2019 batch = 14)} rooms are allotted to students. There are two hostel care takers available round the clock inside the Girls Hostel. The Mess is running in a building just adjacent to the girl's hostel. The hostel and mess is completely free from ragging related activities.

Various events like lectures on mental well-being, Republic day celebration, Saraswati Pooja and College fest- Affinity 1.0 were organized during the session.

ENGINEERING DEPARTMENT

Sl. No.	Name	Designation
1.	Praveen Kumar Singh	A.E. (Electrical)
2.	Dharmendra Bhardwaj	J.E.(Civil)
3.	Pawan Kumar	J.E.(A/C&R)

Engineering Department is currently associated by one Assistant Engineer (Electrical) and two Junior Engineer (Civil, A/C&R) Engineering Department is duly supported by outsource staff members to provide and maintain the services in various discipline. The Engineering Department provides a wide range of service and support to a variety of end user. Routine maintenance of Residential Complex, Hostels, Temporary OPD.

Services offered include operation and maintenance of air-conditioning, electrical system and building facilities of temporary OPD and Residential complex.

There is a separate 11KV dedicated feeder to provide uninterrupted power supply to AIIMS, Rae Bareli.

PHARMACY

Sl. No.	Name	Designation
1	Alok Kumar Shukla	Pharmacist (Medicine Pharmacy)
2	Rahul	Dispensing Attendant (Medicine Pharmacy)
3	Rohit Gupta	Dispensing Attendant (Surgical Pharmacy)

Pharmacy department has total 3 Permanent staff. They are duly supported by 3 contractual staff. Department has 2 stores -**Surgical Pharmacy** store on (4TH floor) and **Medicine Pharmacy** on (1ST floor)

Activity performed by department is issues medicines and surgical items to the all IPD Wards, Provide medicines against Prescriptions and Purchase of surgical items and medicines for AIIMS Hospital.

Staff performed various activities during Covid period with respect to avail of medicines and necessary surgical Items.

RECEPTION / MEDICAL RECORD DEPARTMENT

Sl. No.	Name	Designation
1.	Vijay Kumar	Receptionist

Reception department is headed by the Medical Superintendent. It is assisted by one receptionist and twelve counter clerks.

Staff development and activities:-

Reception department is the first point of contacting for incoming patient and visitors in the hospital. We serve the patient through registration and enquiry (verbal/telephonic) and collecting the fee for all type of lab test and procedures.

Others:-

- I. OPD Patient registration.
- II. IPD patient registration.
- III. Fees collection.
- IV. Lab reports printing.
- V. Issuing Death certificate.
- VI. TB Patient registration (Nikshay Portal).
- VII. Maintaining OPD, IPD & Telemedicine records.
- VIII. Providing the facility of Wheel chairs & stretchers to the patients.

SECURITY AND SANITATION DEPARTMENT

Sl. No.	Name	Designation
1	Ajay Kumar	Assistant Security Officer

- Security and Sanitation Department is headed by Medical Superintendent.
- Security department is entrusted with safety of Building, Peoples and various machines in the AIIMS campus.
- The department has adapted the cleaning guidelines issued by MOHFW.
- Security and Sanitation Department provides services to OPD, hostels, college and residential blocks of the institute.
- Security department has established the proper Gate Pass mechanism for movement of material inside or outside the campus.
- Everyday an inspection round is taken alongside the boundary wall of campus.
- Vehicle logos are distributed to employees to controls of any unauthorized person in hostel and residence area.
- Security Department is well equipped with various necessary equipment's –
 1. In case of any emergent situation an four wheeler is always on standby for quick response team
 2. Various crowd control equipment like can shield, helmets and loud speakers
 3. Fire suits for handling any fire incidents.
 4. Walkie Talkie is provided to various locations to guard for quick response.
- There are police chowki inside the AIIMS Campus.
- A dedicated 24*7 contact no 9452402622 is widely published inside the whole campus for reporting any issues related to security.
- Fire safety training is provided from time to time to tackle emergency situation.
- During the national festival (Republic Day and Independence Day). The Security department decorates the premises and gives guard of honor to honorable Executive Director.
- Security department also activity participate the social events in tree plantation and clean of jungle.

SIGNIFICANT ACCOUNTING POLICIES

Schedule – 24

Introduction:

All India Institute of Medical Sciences, Raebareli (UP) is a Central autonomous body under aegis of Ministry of Health and Family Welfare under PMSSY Division. A Gazette Notification was issued on 13th August, 2013 for establishment of the All India Institute of Medical Sciences at Raebareli in Uttar Pradesh. The Government of Uttar Pradesh transferred land measuring 97.69 acres out of already agreed 148 acres to the Central Government in July, 2013 for establishment of AIIMS Raebareli.

The PGIMER, Chandigarh was the mentor institute of AIIMS, Raebareli and the temporary OPD has started w.e.f. 13th August 2018.

1. Accounting Convention

The books of accounts of All India Institute of Medical Sciences, Raebareli (Uttar Pradesh) have been maintained on the basis of Accrual basis of Accounting.

2. Inventory Valuation

The Inventory of the Institute i.e. stores & spares consumables (chemicals, hospital consumable, general consumable store, printing & stationery, drugs & dressing) etc. has been valued at cost price. The costs have been worked out on the First in First Out (FIFO) method.

3. Fixed Assets

3.1. Fixed Assets are stated at historical cost of acquisition inclusive of inward freight, duties and taxes and incidental expenses relating to acquisition. In respect of projects involving construction, related pre-operational expenses (including interest on loans for specific project prior to its completion), form part of the value of the assets capitalized.

3.2. Fixed assets received by way of non-monetary grants (other than towards the Corpus Fund), are capitalized at values stated, by corresponding credit to Capital Reserve.

4. Depreciation

4.1. The depreciation has been provided in the books of accounts as per the W.D.V. method and rates specified are as per the Income Tax Act, 1961.

4.2. In respect of addition/deletion of assets during the year, are charged on half of the rate, where the addition/deletion is less than six months and full rate of depreciation is charged, where the period exceeded six months.

5. Retirement Benefits

Liability towards gratuity payable on death/retirement of employee is accrued based on actuarial valuation. Provision for accumulated leave encashment benefit to the employees is accrued and computed on the assumption that employees are entitled to receive the benefit as at each year end.

Place: Raebareli

Date: 29/06/2021

निदेशक (केन्द्रीय व्यय)

Separate Audit Report of the Comptroller and Auditor General of India on the accounts of the All India Institute of Medical Sciences, Raebareli for the year ended 31 March, 2021

We have audited the attached Balance Sheet of the All India Institute of Medical Sciences, Raebareli (Institute) as at 31 March 2021, Income and Expenditure Account and Receipts and Payments Account for the year ended on that date under Section 19 (2) of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 read with Section 18 (2) of the AIIMS Act, 1956, (Amendment 2012). These financial statements are the responsibility of Institute's Management. Our responsibility is to express an opinion on these financial statements based on our audit.

2. This Separate Audit Report contains the comments of the Comptroller and Auditor General of India (CAG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms etc. Audit observations on financial transactions with regard to compliance with the Law, Rules and regulations (Propriety and Regularity) and efficiency-cum-performance aspects, etc., if any, are reported through Inspection Reports/CAG's Audit Reports separately.

3. We have conducted our audit in accordance with the auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidences supporting the amounts and disclosure in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.

4. Based on our audit, we report that:

- (i) We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit;
- (ii) The Balance Sheet, Income and Expenditure Account and Receipts and Payments Account dealt with by this report have been drawn up in the format approved by the Ministry of Finance, Government of India.

(iii) In our opinion, proper books of accounts and other relevant records have been maintained by the All India Institute of Medical Sciences, Raebareli as required under Section 18 (1) of the AIIMS Act 1956 (Amendment 2012) in so far as it appears from our examination of such books.

(iv) We further report that:

Grants-in-aid

During the year 2020-21, the Institute received Grant-in-aid of ₹ 112.93 crore and generated internal income of ₹ 1.42 crore. After taking opening balance of ₹ 52.54 crore, the total available fund was worked out to ₹ 166.89 crore. The Institute utilised a sum of ₹ 91.27 crore leaving a closing balance of ₹ 75.62 crore as on 31 March 2021.

(v) Subject to our observations in the preceding paragraphs, we report that the Balance Sheet, Income and Expenditure Account and Receipts and Payments Account dealt with by this report are in agreement with the books of accounts.

(vi) In our opinion and to the best of our information and according to the explanations given to us, the said financial statements read together with the Accounting Policies and Notes on Accounts and subject to the significant matters stated above and other matters mentioned in Annexure to this Audit Report give a true and fair view in conformity with accounting principles generally accepted in India;

(a) In so far as it relates to the Balance Sheet, of the state of affairs of the All India Institute of Medical Science, Raebareli as at 31 March, 2021; and

(b) In so far as it relates to Income and Expenditure Account of the 'neither deficit nor surplus' for the year ended on that date.

For and on behalf of the C&AG of India

Director General of Audit (Central)

Place: Lucknow

Date: 22-10-21

Annexure

1. Adequacy of Internal Audit System

Internal Audit of the Institute has not been conducted for the year 2020-21.

2. Adequacy of Internal Control System

The internal control system was characterised by the expenditure of the ₹ 18.02 lakh on repairs and maintenance of the buildings which are yet to be handed over to the Institute.

3. System of Physical Verification of Fixed Assets

Physical verification of the fixed assets has not been conducted for the year 2020-21.

4. System of Physical Verification of Inventory

Physical verification of the Inventory has not been conducted for the year 2020-21.

5. Regularity in payment of statutory dues

The Institute is regular in payment of statutory dues.
